Jesus took Peter, James, and John and led them up a high mountain apart by themselves. And he was transfigured before them, and his clothes became dazzling white.

### PASCHAL CANDLE AT ST. JOHN

If an individual or family would like to sponsor the Paschal Easter Candle at St. John please contact the church office at 716.487.0125. The cost is \$400 for the candle, and the donation will appear in the bulletin with any associated intention or memorial.

The Paschal candle represents Christ, the Light of the World. During the Easter Vigil, on Holy Saturday, the priest carries the candle during the procession into the dark church. A new fire, symbolizing our eternal life in Christ, is kindled which lights the candle.

The Paschal candle is lit throughout the year for all baptisms, weddings and funerals.

### DONATIONS STILL NEEDED...

Ss. Peter & Paul Church and St. James Church are still in need of your help for two very important upgrades.

**1)** The Rosetta Window at the back of the church at Ss. Peter & Paul is in need of major repairs. We are asking for your help in trying to ensure that this beautiful window be restored and made structurally sound again.

**2)** St. James Church and Rectory are in need of foundation masonry repairs. Any donations would be tax deductible. If you have any questions or would like more information, don't hesitate to contact the rectory.

## Catholic Neighbors in Faith Lenten Retreat - March 1st & 2nd, 2024

A retreat is a term for a time taken to reflect and meditate. This year's Lenten Retreat theme is 'Through the Deserts, God leads us to Freedom'.

Please join us on Friday, March 1st, and Saturday, March 2nd, at St. James Church as we come together as a family of faith to walk through the desert with Jesus.

# Catholic Neighbors in Faith

## *From the desk of the CNIF Administrator:*

Whenever there are storms in life, my mind often turns to the dream of Saint John Bosco where the Church was depicted as a large ship in the midst of a raging storm. At the helm was the pope and it looked like the waves were going to overtake the ship and destruction looked imminent. The ship would have surely sunk if it were not for two pillars to which it was tethered. On top of one was the image of the Blessed Virgin Mary and on the other was the Eucharist in the Monstrance. These anchored points kept the ship afloat and therefore the Church afloat. I suggest today the very same image for us as we move forward as a family of parishes. We surely have been battered by waves of uncertainty such as the passing away of two beloved pastors and sudden changes in priest personnel, but what will keep us moving forward is our faith in the Sacrament of the Eucharist as well as our devotion to the Blessed Virgin Mary.

The mission of the Church continues, to baptize all nations in the name of the Father, Son and Holy Spirit and draw all people to the Sacred Heart of Jesus through the Immaculate Heart of Mary. I have had the great privilege to see the tremendous faith of our parishioners across our family of parishes and I have full confidence in how the Holy Spirit is leading all of us.

I ask that you participate in our various parish, liturgical and spiritual opportunities that we have available such as our upcoming Lenten retreat, Friday and Saturday, March 1 and 2. This will be an opportunity to enter into the rich prayer life our Catholic faith has to offer and unite as a family of parishes as well. Stay tuned for more to come.

The process of the renewal continues within our family of parishes. The pillars are continuing to meet regularly and are working on uniting our efforts and resources while at the same time keeping parish identities intact. I ask that at this time, we all pray for three priests to be assigned to our family of parishes. This would be a large workload for just two priests. But with three priests we will be able to manage our current Mass times well enough.

Please know that I am here for you as Parish Administrator of our family of parishes. I know that Fr. Don would say the same. The priesthood is the greatest gift that God has ever given me and I am grateful to be able to share this gift with all of you.

As we journey together in this Lenten season, let us keep each other in prayer and ask for the grace of the Lord to shine upon us. Saint John Bosco, pray for us.

**Auto Debit Program** - Tired of writing checks each week for your offertory or forgetting your check book at home? Planning a vacation or extended leave but want to make sure you support your church while you are gone? How about signing up for the **Auto Debit Program**?

This is a program that is offered through the church. If you are interested or have questions about the program, call the Central Office and ask for Doris. She will explain how the program works and how to get you enrolled. There is no charge to you. You determine the amount to withdraw monthly.

Whether it's \$5 per month or \$5,000 per month, or anything in between, this program can work for you. No need for checks anymore or cash. Call the Central Office to enroll or for more information.

# Reflections

*Second Sunday of Lent*

## *This is a Test*

I used to wonder how God could lie to Abraham about sacrificing his son Isaac. But the story begins by telling us God put Abraham to the test. Abraham himself seems to know it's a test—in verses left out of our reading, he tells the servants that he and Isaac will return after the sacrifice; he also tells Isaac that God will provide the offering. Apparently, I'm the only one fooled by God.

I don't know if I would have passed the test. I would have at least argued with God about it, begging him to spare my son. Yet in our second reading, St. Paul reminds us that God did not spare his own son. (Rom 8:32) He passed his own test. Jesus was sacrificed so that God could show us how much he loved us: By dying, Jesus showed us the promise of resurrection, which shows us that we can also have new life by the forgiveness of our sins. If God loves us so much that he gives his Son to die for us, why would he not forgive us? Or as Paul says, if He is on our side, who can hurt us?

What does that tell us about life? You may have noticed that things don't always go your way. We sometimes suffer for no apparent reason. We may lose someone we love through death. We may be tempted to lose faith when we see wars, killer tornados, terrorist attacks—if "God is for us," why does he allow these things? Because he is still testing us. And not necessarily testing the victims of these troubles. If I get angry at God because I hear about someone's death, I haven't passed the test.

Does that mean those tragedies are our fault? No, God gives everyone free will and some people choose to do wrong. And some accidents are just accidental; no one is necessarily at fault. God intervenes sometimes and lives are saved. Other times, God intervenes by saving us after death with our resurrection. But as long as people doubt God's love, there will be tests. That's why it is so important to proclaim the Kingdom: so that someday all people will know God's love and not need to be tested.

## *Mountaintop Experiences*

A popular church hymn declares, "Glory and Praise to Our God, who alone gives light to our days. Many are the blessings He bears to those who trust in His ways". We can see the glory of God reflected in His many creations.

Have you ever seen the opening scene of the beloved classic, *The Sound of Music*? As a child I would always rush through it. There were no lines, just the sounds of birds and wind along panoramic views of the Swiss Alps. Why would anyone want to waste time looking at the greenery and high-pointed rocks, I would wonder to myself. Yet it is in the grand landscape of the mountains that God often manifests himself.

Whether it was where Elijah heard the quiet voice of God in a whisper, or where Moses spent forty days encompassed by loud thundering as he received God's covenant, mountains and other high places have often been special spots where we can come closer to God. Perhaps in all the Bible no one comes physically closer to observing God's glory than on Mount Tabor where Peter, James and John encounter the transfiguration of Christ. Here in a truly physical sense do the opening words of John's Gospel speak, "And the light shone in the darkness, and the darkness shall not overcome it."

This could not provide a more adequate visual for our human senses. He remained human and yet is, was and forever will be, divine. He was radiant, so much more glorious than they had already come to understand while here on Earth. I ask that today we reflect on and be thankful to God for revealing a first glimpse of Himself, using the senses of nature, whether through the greatest heights or the warmth of His everlasting light.
